Strategic Gas Emergency Reserve Utilities Connections – **Feedback form**

Thank you for taking the time to review our proposal for new utility connections for the **Strategic Gas Emergency Reserve (SGER).**

We would be grateful if you could contribute to our proposals by completing this questionnaire and letting us know your thoughts. Your feedback is important and will help us to finalise our proposals.

Comments made to the prospective applicant via this feedback form are not submissions or observations on the designated development. There will be an opportunity to make submissions and observations, in writing or by electronic means, on the application to An Coimisiún Pleanála and the Minister for Climate, Energy and the Environment once an application for consent has been submitted by the applicant.

We only collect personal information, such as your name and address, when you provide it to us. We will only use the data collected for specific purposes in relation to the designated development of the SGER.
